**Grade 11**

Theology  
 English 11  
 Math  
 Amer. History  
 Science  
 Elective  
 Elective

**Grade 12**

Theology  
 English 12  
 Math  
 Govt./Economics  
 Elective  
 Elective  
 Elective

*Parents and students should plan carefully to be sure all graduation requirements are met. Students should also consult the admission requirements for their desired university or college. Dual enrollment for high school and/or college credit is also available in conjunction with Sarasota Technical Center and Manatee Community College. Students must be enrolled in at least 6 credits annually; students may not be enrolled in both a study hall and an assistantship during the same semester.*

*In addition to the minimum graduation requirements, students should be aware of additional college/university academic requirements. This information is available in current college catalogs.*

**A GPA of 2.0 and 24 credit hours are required for graduation.**

**Please Note: The above guide does not reflect Honors/AP courses available at each level.**

Courses		Pre H.S.	9th	10th	11th	12th
