

Dear Cardinal Mooney community,

Due to the anticipated impact of Hurricane Irma, Cardinal Mooney Catholic High School will remain closed through Tuesday, September 12th. This closure will affect all school related activities, including sport practices and games/matches.

We will communicate via text, email, social media and the local media with any further updates regarding school closures and cancellations.

The safety of our families, students, faculty and staff are of paramount importance. Please continue to keep all who are in Irma's path in your thoughts and prayers, and be safe.

Stefan Gates

Interim Principal
