TUITION PAYMENTS

One of the universal challenges in education is achieving a balance between our educational mission and financial stability. The Diocese of Venice has partnered with FACTS Management Company to help us administer our tuition program. Payments are automatically deducted from your designated bank account or credit card. Visit <https://online.factsmgt.com/signin/3V32Z> to get started. The following options are available:

- **Annually:** One payment, deducted July
- **Semi-Annually:** Two equal payments, deducted July and December
- **Quarterly:** Four equal payments, deducted July, October, February, May
- **Monthly:** Eleven equal payments, deducted July through May
- **Seniors:** Tuition must be paid in full before graduation. This could result in a modified payment date in May.

THE DIOCESE OF VENICE REQUIRES ALL FAMILIES TO BE ON FACTS TUITION MANAGEMENT

FINANCIAL AID

We realize many families want their children to receive a Catholic education, but in some cases, the full cost of tuition is prohibitive. CMCHS offers assistance based on the financial need of each family. Funds are limited and deadlines are strictly enforced, so apply early. *Financial awards will not be applied toward prior year balances.*

Cardinal Mooney Catholic High School uses FACTS Grant & Aid Assessment to evaluate requests for financial aid. Families seeking tuition assistance will need to apply online and submit the necessary supporting documentation as soon as possible. All information is kept confidential. The **deadline** to apply for financial aid for the upcoming school year is **May 15, 2019**. Award notifications will be sent out via email early June.

The school financial aid committee will only review verified applications, once a child is registered and enrolled. Tuition assistance requests may be delayed or denied for the following reasons:

- Incomplete documentation for FACTS Grant & Aid Assessment
- Incomplete registration, including the \$600 non-refundable registration fee and FACTS online tuition agreement with payment plan choice
- Delinquent account balance
- Late submission
- Family does not qualify / FACTS calculated need is zero

Awards are based on FACTS assessed need. In many cases, CMCHS will not be able to cover a family's full need due to the number of applicants and the limited amount of available funding. We encourage you to seek additional opportunities. If you still believe tuition will be a hardship, email toneill@cmhs-sarasota.org with an explanation of your extenuating circumstances. Your email and FACTS Grant & Aid Assessment will be re-evaluated by our **Adopt-A-Student** Committee. These funds are donated from generous sponsors throughout the year and are very limited. Many families are put on a waiting list with no guarantee. Visit <https://online.factsmgt.com/signin/3V32Z> to get started.
