

Cardinal Mooney is thrilled to be able to offer our Cougar Nation the opportunity to live stream athletic events from the stadium/athletic field and gymnasium this year. We now have Pixellot cameras covering our athletic events and it's as easy as downloading an app and then subscribing to a monthly or yearly pass to view. Our Pixellot system will live stream football, boys' and girls' soccer, boys' and girls' lacrosse, boys' and girls' basketball and volleyball. We can still watch our favorite student athletes compete, even if we can't be there in person to cheer them on to victory!
