

Semester Exam Instructions:

1. All students must be in dress code for all exams. Students in violation of the behavior code on exam day may be sent home and will be required to come an extra day to make up exams. This includes dress code violations, shaving, etc.
2. All students must remain in the testing room until dismissal. (75 minutes).
3. If a student has an **exam conflict** (two exams at the same time) they must see Mr. Gates in the admin office (or at lunch) to schedule a separate time for one of the exams.
4. No student will be permitted to take semester exams until all obligations are met (library fines, **detentions**, athletic uniforms/equipment returned, fees and tuition up to date).
5. No student may take exams early. All exams must be taken at the scheduled time.
6. Students should only be present for courses in which they have exams. (See the exam schedule for a list of exam rooms, dates and times). There will not be supervision for students not taking an exam.
7. One exam (English) will be taken on Monday, May 24 (see special schedule below). This will alleviate the need for some students to take 3 exams in one day.
8. Extended Time – Only students with a documented need will receive the extended time accommodation. This would have been confirmed with Mrs. Givens and the Guidance Office.
