

COUGAR NEWS

We wish you and your family a wonderful Easter Break.

During this time let us celebrate Christ's resurrection from the dead as it marks the end of Holy Week, the end of Lent, the last day of the Easter Triduum (Holy Thursday, Good Friday, and Easter Sunday), and is the beginning of the Easter season of the liturgical year. Since Easter represents the fulfillment of God's promises to mankind, it is the most important holiday on the Christian calendar.

Jesus Christ rose from the dead on the third day following His crucifixion. His resurrection marks the triumph of good over evil, sin, and death. Easter Sunday symbolizes the fulfillment of our faith as Christians. Through His Death, Christ destroyed our bondage to sin; through His Resurrection, He brought us the promise of new life, both in Heaven and on earth.

"Let us rejoice, too, for our sakes, because the Resurrection of Jesus Christ is for us a sure pledge of our own resurrection and of the glory we hope one day to have in Heaven in our soul and body."

- St. Alphonsus

Reminder

What Students Should and Should Not Bring to the Exam Room

It's important that students bring only the items permitted in the exam room. A student observed with any of the prohibited items during testing or breaks may be dismissed from the exam, the device may be confiscated, the student's score may be canceled, and no retest may be permitted.

This year, students should also understand your school's health and safety protocol for the exam room. Students may bring hand sanitizer to the room, but it must be placed under their desk, not on their desk. Students should use any other PPE (such as masks) following your school's current requirements.

Bring to the Exam Room

- Two sharpened No. 2 pencils (with erasers) for completing multiple-choice answer sheets.
- Two pens with black or dark blue ink only, for completing areas on the exam booklet covers and for free-response questions in most exams.
- A watch (in case the exam room doesn't have a clock that can be easily seen).
- Up to two calculators with the necessary capabilities if taking an AP Biology, Calculus, Chemistry, Environmental Science, Physics, or Statistics Exam. Instruct students to visit apstudents.org/courses and click on the link for their course for the specific calculator policy.
- A ruler or straightedge if taking an AP Physics Exam.
- A government issued or school-issued photo ID if they do not attend the school where they are taking the exam.
- Their College Board SSD Eligibility Letter if they are taking an exam with approved testing accommodations.

Do Not Bring to the Exam Room*

- Electronic equipment of any kind: phones, smartwatches, or wearable technology of any kind, laptops, tablet computers, Bluetooth devices, portable listening or recording devices—MP3 player, iPod, etc.—cameras or other photographic equipment, devices that can access the internet, separate timers of any type, and any other electronic or communication devices.
- NOTE:** School-owned and -controlled recording devices that meet AP Program criteria are allowed only for the AP French, German, Italian, and Spanish Language and Culture Exams and the AP Music Theory Exam.
- Books, compasses, correction fluid, dictionaries, highlighters, or notes.
- Mechanical pencils, No. 3 pencils, or colored pencils.
- Rulers or straightedges (these are allowed only for Physics exams).
- Protractors.
- Scratch paper (notes can be made on portions of the exam booklets or, for Chinese Language and Culture and Japanese Language and Culture, on scratch paper provided by the proctor).
- Computers or calculators (except as previously noted).
- Reference guides, keyboard maps, or other typing instructions.
- Watches that beep or have an alarm.
- Food or drink.
- Clothing or shoes with subject-related information.
- Ear plugs.
- Clipboards.

* Unless an item has been preapproved as an accommodation by the College Board Services for Students with Disabilities office before the exam date.

The Class Award Ceremonies will be held on the morning of Thursday, April 28th in the chapel as follows:

Freshman – 8:00 am

Sophomores – 8:40 am

Juniors – 9:30 am

Students will report to class and be released to the chapel. Parents are welcome to attend. **We will be** sending out notifications to parents of students that receive special awards and scholarships. **We will not send** out notifications for honor roll or club officer recognition. They will receive certificates in the ceremony, yet we will not be individually notifying parents for those. Check with your student to see if they meet that criteria (honor roll or club officer) if you would like to attend to watch them receive their awards.

Honor Rolls include the following (From the end of 1st Semester): Second Honors – 3.5 or above, no grade below B; First Honors – 3.75 or above, no grade below B; First Honors with Distinction – 4.0 or above, no grade below A
