Final School Days with our Seniors...

During Morning Prayer and Announcements this week, our class leaders offered special prayers for their graduating classmates.

On behalf of our classmates, we would like to thank the Class of 2022. Thank you for being great teammates, friends, and role models for us. You have impacted each of us in special ways. Thank you for the amazing memories and for teaching us what it means to be a part of the Cougar family.

Dear God,

Our hearts are filled with gratitude for the members of the senior class and for the amazing example they have set for us. We thank you for protecting and guiding them throughout their journey. We pray that they never forget their roots here at Mooney. We pray that the friendships they formed here will last them a lifetime and always be a source of comfort to them. We lift them up in prayer and ask for courage for their next leg of this journey of life. Give them faith and a sense of purpose in their next steps. God, help them to always clear a path in their heart for you. And may they always be aware in everything they do that they will find fulfillment in doing your will, that you will be with them always, and that you will bring to completion the good work you have begun in them.

God, please watch over them. Amen

Kennedy Atwood, current president of the freshmen class

Gracie Oldham, current president of the sophomore class

Sean Laureano, current president of the junior class
