SEEKING THE SACRAMENT OF CONFIRMATION?

The Diocese of Venice has a religious education office that emphasizes the importance of the Sacrament of Confirmation with a two-year program. The young women and men go through a process where they complete one phase of their faith journey and prepare to begin the next phase as full Christians who are called to be more and reflect the love and goodness Christ in their heart and soul. Parents of a student needing to be confirmed should contact your local home parish to learn more about courses and programs to prepare for Confirmation.

Bishop Dewane has stated that preparation for the reception of Confirmation will be a two-year process, beginning in grade 9, culminating in the reception of the Sacrament at the end of grade 10.

Those desiring Confirmation should be:

1. A baptized Catholic who regularly receives Communion.
2. Registered in a parish (both preparation for and celebration of the Sacrament will take place in your home parish)
3. Be enrolled in the Confirmation Sacramental Preparation program at your parish. It is strongly advised that you contact the Director of Religious Education Office at your parish for registration information and guidelines.
4. In the Diocese of Venice in Florida, preparation normally begins in the 9th grade, with the celebration of Confirmation occurring at the end of 10th grade (around the age of 16).

Announcing Cardinal Mooney on Campus Instant Decision Day for Ava Maria University

Attention Seniors

Ava Maria University, located in southwest Florida, will be on our campus the morning of October 4th, offering our seniors the opportunity to meet with admissions personnel to review student applications to Ava Maria and present admissions decisions on the spot. To learn more about Ava Maria University, visit <https://www.avemaria.edu>. For further information, contact Mrs. LaFemina, and if you want to attend, you must RSVP to her on or before 9/26.

Cardinal Mooney is instituting a new character program using the "*Gifts of Christ*." We hope that each student embodies each gift. This month, our focus is "Truth." Students should always seek to understand the *truth* in all situations. They should be *truthful* in how they act and respond and accept the *truth* around them. Teachers and staff look forward to seeing our students exemplify truth on our campus.
