

About Gigi Longpre

Gigi Longpre was an extraordinary student athlete, classmate, and friend in our graduating class of 2010. She put her whole heart into everything she did at Mooney, including every basketball and volleyball game she played. She brought this energy back to Cardinal Mooney when she decided to become the assistant coach for the 2014 girls' basketball team. Gigi passed away in a tragic car accident in November 2014. Gigi was in the midst of completing her degree in elementary education while also working as a beloved server at Pier 22 in Bradenton.

The Gigi Longpre Memorial Scholarship is to be awarded to a current female student involved in extra-curricular activities at Cardinal Mooney Catholic High School. Gigi had the ability to light up any and every room she walked into; therefore, the recipient demonstrates the qualities of love, laughter, energy, character, integrity, kindness, and a deep concern for others.
